

New Cosmetic Procedures in Edmonton?

If you've watched 'The Doctors', 'Oprah' or the 6 o'clock news and wondered where you can get the latest cosmetic surgery information, look no further than Edmonton's own Dr. Barry Lycka, who has been providing cosmetic surgery procedures to the people of Edmonton and area for the past 3 decades.

Phoenix Renewal Centre & Spa will present Dr. Barry Lycka on **March 20, 2010 at 2:00 p.m.** The seminar is going to be held at the Mayfield Conference Center, with the Master of Ceremonies being Edmonton's own Seanna Collins. Don't miss this opportunity to learn what's new.

Join Dr. Lycka to learn about the exciting Ethical Stem Cell Research used in CellCosmetics, a revolutionary new eye treatment. "Wrinkles around the eyes will vanish without surgery in one hour," says Dr. Lycka.

As well, Dr. Lycka will tell you more about the latest advances in body-sculpting using Smart Lipo Laser technology, and the Ultimate Fractional Laser Micropeel, the newest way to remove scars and wrinkles with little downtime. Phoenix Renewal Centre & Spa is one of the first centres in Edmonton to offer this revolutionary treatment. See how to lose up to 2 inches in one session with the newest non-surgical fat-busting procedure, Lapex2000, the

modern technique to remove your body fat and lose inches — all without surgery, pain or discomfort.

Dr. Lycka will also cover wrinkle treatments, BOTOX®, Sculptra®, Restylane®, Teosyl®, Radiesse® and Juvederm® and share his latest training pearls from the European experts. All this, and live demonstrations too.

In addition to the most exciting information with regard to the cosmetic industry and treatments, registrants will receive: Free consultations, samples and a even a free gift just for attending! Total retail Value of this package: \$250.00 for each attendee.

Pre-registration is necessary for this event. A \$25.00 tax-deductible donation is required to confirm your spot at the seminar. All proceeds will go to the Canadian Skin Cancer Foundation which will assist in funding their education programs.
