You've been loyal, you've been asking for privileges and now, as a valued guest of Phoenix Renewal Centre & Spa and one of our V.I.P. customers, I would like to personally invite you to the V.I.P. Gala launch of our

### **'Diamond Membership Experience'**

**Date:** May 26th, 2011.

**Time:** 7:00 p.m. – 9:00 p.m.

**Where:** Phoenix Renewal Centre & Spa,  
106 10665 Jasper Avenue

\*Wine and light appetizers will be served.

The point of such an agenda is simple, as the spa Director Crystal Armstrong explains:

*"While a spa treatment will always contribute to one's inner glow, there's no doubt that in order to achieve long-term results, it's always better to have a series of treatments. This enables our guests to focus on dealing with specific concerns, to indulge in complete relaxation and pampering or simply, to enjoy the extensive range of therapies we offer."*

The membership provides a comprehensive experience. It entitles guests to extraordinary and exclusive spa treatments, up to 25% off the Medical Spa treatment of their choice (with savings from \$100 - \$1000.00 + dependant on service), automatic upgrades on all our traditional spa treatments & a 10% reduction on products from the spa boutique & more. VIP's receive seasonal gifts, as well as invitations and priority ticket bookings to various exclusive events held at the spa throughout the year.
